

## Why Join Chippenham Sports Club's New Badminton Section?

The Aero Badminton Club and its sister club, Aero Juniors, caters for players of all ages and abilities.

We appreciate that many potential players may be put off attending a new club in the fear that we are too competitive for them or have a test of admission or are simply too expensive.

Therefore we operate a fully inclusive club environment where diversity, player development, good practice and friendliness are our key strengths.

We value our membership.

So whether you come to the club as a complete beginner, all the way to an professional player, you are all welcome.

The club is applying for Badminton England's Premier Club (Club Mark) accreditation - the sign of a quality junior club and forging links with all primary and secondary schools in the area with the eventual aim of becoming Wiltshire's only Performance Centre Club.

We are the only such badminton club in the Chippenham area to do so.

We currently offer on a weekly basis three sessions at different venues:-

- Regular social matches
- Competitive play for those who want it.
- Social events every 6-8 weeks
- Internal and external club tournaments
- Internal club coaching sessions using qualified CRB checked Level 1 & Level 2 coaches.
