**Each Team will consist of 10 playing members of which only 6 may take part in any one game.**

**A match consists of 1 innings per side of five 6 ball overs and is concluded when either all overs have been bowled or all 6 batsmen have been dismissed.**

**In the spirit of the game bowlers will bowl off of no more than a two pace run up.**

**A Toss of a coin will determine the Team batting first.**

**After 25 runs a batsman must retire. If there are overs remaining after all batsman are out, the retired batsman may return.**

**At the fall of the fifth wicket, if more overs or balls are left the batsman dismissed shall act as a runner with the remaining batsman.**

**If the runner is dismissed in any way, this will count as the last batsman being out.**

**One player will be designated as the wicketkeeper and will not ball.**

**No Balls and wides will incur a penalty of one run. No extra balls will be awarded. Balls will be called wide under the criteria of playableness. Hitting a wide ball disqualifies it from being a wide.**
